 DRY Sterilization

Benchtop Autoclave Compact Autoclave

Model #'s
[SK101C](#)
[SK111C](#)

SK
 Internal Capacity: 18L

- Low cost, space saving
- Programmable
- Easy to read 4 digit LED display

Model #'s
[SK200C](#)
[SK210C](#)
[SK300C](#)
[SK310C](#)

SK
 24L - 30L

Standard Autoclave Without Dryer

Model #'s
[SN300C](#)
[SN310C](#)
[SN500C](#)
[SN510C](#)

SN
 Internal Capacity: 32L - 47L

- Ergonomically designed easy top loading
- Programmable / preset-programs for commonly used sample types
- Cooling fan to shorten cool down time

Large Capacity Autoclave Without Dryer

Model #'s
[SQ500C](#)
[SQ510C](#)
[SQ810C](#)

SQ
 Internal Capacity: 50L - 80L

- Ergonomically designed easy top loading
- Programmable / preset-programs for commonly used sample types
- Cooling fan to shorten cool down time

Standard Autoclave With Dryer

Model #'s
[SM201](#)
[SM211](#)
[SM301](#)
[SM311](#)
[SM501](#)
[SM511](#)

SM
 Internal Capacity: 20L - 32L - 47L

- Programmable
- Pre-installed drying cycle
- Quick drying capability making samples ready to use right after sterilization

Large Capacity Autoclave With Dryer

Model #'s
[SM520](#)
[SM530](#)
[SM820](#)
[SM830](#)

SM
 Internal Capacity: 50L - 80L

- Programmable with 7" interactive touch screen
- Fully automatic sterilization and drying
- 11L heat resistant stainless steel bottle

Standard Dry Sterilization

Model #'s
[SI401](#)
[SI601](#)

SI
 Internal Capacity: 77L - 159L

- Dry heat sterilization through natural convection
- Programmable
- Economical

Large Capacity Dry Sterilization

Model #'s
[SK401](#)
[SK601](#)
[SK801](#)
[SK811](#)

SK
 Internal Capacity: 99L - 162L - 300L

- Dry heat sterilization through natural or forced convection
- Programmable
- Standard equipped with high precision controller
