## STANDARD 90 DAYS PARTS WARRANTY

1. Unit is warranted under normal use and proper maintenance, for a period of 90 days from date of factory shipment to the original purchaser. This applies to all items except consumable parts (i.e. water filters, screen filters, oil filters, flexure's, shear mounts, and other suspensions parts, etc.).
2. This warranty covers parts and labor only and is limited to repairing or replacing parts which have been returned to LR Environmental and in our opinion are defective. It is contingent upon Buyer providing written notice of defective parts within 10 days after discovery and within the warranty period. Any repaired or replaced parts will be warranted for the balance of the original equipment warranty period.
3. Service labor required to correct defects in material and/or workmanship will be supplied by LR Environmental without charge. Any transportation costs and taxes incurred will be paid by the Buyer. At the discretion of LR Environmental, if a service visit is deemed necessary after troubleshooting by phone or email, travel expenses will be paid by LR Environmental.
4. This warranty does NOT cover any costs incurred by the Buyer as a result of the purchase of LR Environmental equipment or any charges for the Buyer's labor for replacement, adjustment or repair unless authorized in advance by LR Environmental in writing.
5. LR Environmental is not liable for any direct, indirect, consequential or incidental damages including any damages for loss of business profits and business interruption due to the use of or inability to use the products. In no event shall LR Environmental be liable for an amount greater than the amount of the paid purchase order for the products.
6. This warranty does not apply to any products which in the opinion of LR Environmental, have been (a) subject to accident, misuse, abuse, misapplication or neglect (b) altered or repaired with a substitute which might impair the product, (c) used outside of rated conditions and specifications, or (d) damaged due to lightning, flood, earthquake, fire, etc.
7. LR Environmental reserves the right to make improvements in its products, including making changes and additions, without incurring obligations to incorporate such improvements in previously manufactured units.
8. Any equipment that is supplied by LR Environmental but not manufactured by LR Environmental shall maintain the warranty as provided by the original manufacturer of that equipment.
9. This warranty is valid only for the original purchaser at the original location of installation, as was specified at time of purchase. Installation in some other country or other company or location shall void the warranty.
10. This warranty is expressly in lieu of any and all warranties or commitments written, oral, or implied, including but not limited to any implied warranty of merchantability or fitness for a particular purpose, and any other obligations to the Buyer that are associated with the use of LR Environmental products and is the sole remedy of the Buyer.
